Eunisell Interlinked Plc Commemorates International Women's Day 2026

Lagos, Nigeria – March 8, 2026

Eunisell Interlinked Plc has joined the global community in commemorating **International Women's Day 2026**, reaffirming its commitment to promoting gender inclusion, empowering women, and fostering an equitable workplace where talent and leadership can flourish.

Celebrated annually on March 8, International Women's Day recognizes the achievements and contributions of women across all spheres of society while reinforcing the need for sustained progress toward gender equality and inclusive development.

Commenting on the significance of the occasion, the Chief Executive Officer of Eunisell Interlinked Plc, **Chris Okoro**, highlighted the vital role women play in driving organizational growth and innovation.

"At Eunisell Interlinked Plc, we acknowledge the invaluable contributions of women within our organization and across the broader society. We remain committed to cultivating an inclusive environment that supports equal opportunities, encourages professional development, and enables women to realize their full potential," he said.

Okoro further noted that empowering women is central to building resilient institutions and sustainable economies.

"International Women's Day offers an important opportunity to celebrate the remarkable achievements of women while renewing our collective resolve to eliminate barriers that hinder progress. When women are empowered to thrive, organizations and communities alike benefit from their leadership, creativity, and strength," he added.

Eunisell Interlinked Plc continues to advance policies and initiatives that promote diversity, equity, and inclusion across its operations. The company believes that a diverse workforce strengthens institutional capacity and enhances long-term value creation for stakeholders.

As the world marks International Women's Day 2026, Eunisell Interlinked Plc reiterates its dedication to fostering a culture of respect, inclusion, and opportunity for all.
